Dear Mr. DiNicola,

I am sure you will agree that it is very important that the residents of Pennsylvania's 16<sup>th</sup> Congressional District hear from each of us about our platforms before they cast their ballots this November. In order to increase opportunities for voters to do so, I have scheduled the following debates for this fall. I took the liberty of confirming the availability of each of these venues and corresponding dates.

- **October 8** at Mercyhurst University; hosted by Mercyhurst University and The Manufacturer & Business Association
- **October 16** at Grove City College; hosted by the Department of Political Science
- **October 30** at Butler County Community College

I look forward to discussing our ideas in a public forum. Please confirm your availability by contacting Ann Coleman at my campaign office at 724.712.1243. Our respective staff members can also arrange a meeting to discuss the precise format and details of each debate at that time.

Sincerely,
